

**FOLKS ON SPOKES**  
**Winter 2017-2018 Ride Schedule**

There will be no official rides scheduled for December, January or February. Instead we will be using the format that we have used for our unscheduled mid-week rides for years now. If the weather forecast is good enough to ride the evening before (i.e. the temperature is above 45° and it is not raining, and rain or snow is not immanent) be on the lookout for e-mails from Randy, Debbie, Jerry or Doug. If someone else wants to lead a ride, let our Road Captain, Randy Williams, know at 330-966-2460 or [rwilliams02@sbcglobal.net](mailto:rwilliams02@sbcglobal.net) and an email announcing the ride will be sent out.
